PROVIDER DIRECTORY

PPO / POS

INTRODUCTION

Welcome and thank you for choosing Gulf South Administrators.

We are pleased to supply you with this Provider Directory which lists our network of participating physicians and facilities. This Directory is designed to assist you in choosing a provider for all of your health care needs. The Gulf South network is defined by geographic service areas: Greater Baton Rouge, Greater New Orleans, Greater River Parishes, Greater Lafayette, Greater Lake Charles and Greater Shreveport.

Our focus is on keeping you and your family healthy through primary and preventive care. Of course, we're also ready to provide you with the care and coverage you need whenever you become sick or injured.

Gulf South markets many types of managed care health benefit programs. Some require members to select a Primary Care Physician as a manager of your care while other plans do not. In all cases, Gulf South highly recommends that you select a Primary Care Physician. Gulf South feels that your relationship with a medical practitioner is important to your continued access to appropriate medical care. Your choice of Primary Care Physician may impact referrals to Specialist providers. If you desire access to a specific Specialist, you may want to discuss this information with your Primary Care Physician. Please consult Gulf South's Certificate of Coverage for details.

Gulf South is contracted with Express Scripts, Inc. to provide pharmacy benefit management in addition to providing a nationwide pharmacy network for members who have prescription drug coverage. For pharmacy issues please call 1-800-451-6245.

Customer Service Department

Gulf South has an established Customer Service Department to help you with questions about your benefits, policies and services. The staff is available from 8 a.m. to 5 p.m., Monday through Friday and can be reached at (225) 237-1980, or (800) 237-3583, extension 1980.

Contact Customer Service when you have questions about claims, referrals, benefits, if a provider is in the network, or other member concerns. You may also call Customer Service to change Primary Care Physicians, request new ID cards or make a change to your address or phone number. Medical questions should be directed to your Primary Care Physician's office.

<p>A * denotes a Primary Care Physician who does not accept new patients. If you are an existing patient of a PCP so noted, you will be allowed to enroll with that physician.</p>
